India's 100 Richest

EDITED BY **NAAZNEEN KARMALI**

OCTOBER 12, 2022, 06:00 PM

India's post-pandemic demand revival powered its economy to become the fifth-largest in the world, surpassing the U.K. But the stock market was down marginally from a year ago with the biggest dampener being a weaker rupee, which fell 10% over the same period. Despite this, the combined wealth of India's 100 richest grew \$25 billion to touch \$800 billion.
