

Forbes India Rich List 2020

In a tumultuous year for the global economy, India's richest preserved their wealth. Mukesh Ambani remains the wealthiest Indian for the 13th year in a row, adding \$37.3 billion to his net worth; vaccine maker Cyrus Poonawalla entered the top 10 at rank 6 as all eyes remain on the antidote, while Biocon's Kiran Mazumdar Shaw became the highest wealth gainer in percentage terms and all the pharmaceutical billionaires on the list saw their wealth rise. Fewer billionaires saw their wealth erode this year than they did in 2019.
